Southern Cape NPC (Reg No: 2015/352916/08)

“Unlocking an Inclusive Economy”

To Whom It May Concern.

15 October 2018.

Subject: Letter of Endorsement: CLICKONIT & Classic Paints.

This letter serves to confirm that Johan and Wilma Rademan, owners/representatives of the companies **Clickonit** and **Classic Paints**, are well known and respected members of the Business Community and are affiliates of the George Business Chamber NPC.

The reach of the Clickonit range of products stretches beyond the Garden Route and adds immense value to the Economy of the region. The marketing opportunities that their specific range of products provides, enhances and supports the visibility of all businesses that subscribe to the product range. This has a direct and positive effect on the economy.

Their involvement and association with events and the co-ordinating of such events, is also commendable. They are very active members who engage with businesses at all levels and their endeavours also support and promote tourism in the area.

We are sure that they will continue to be the successful business people and ambassadors for economic development in George and the Garden Route and we look forward to continuing our mutually beneficial relationship in the future.

Kind Regards and Chamber Greetings,

Ingrid Cronje
CEO- George Business Chamber NPC
